Wednesday 11th March 2020

Dear Griffin Parents/ Carers,

Today the DfE and Public Health England have issued further advice on the Coronavirus and action needed.

They are now looking at potential contingency plans should we reach the stage of schools closing. As a result The Elliot Foundation is making its own contingency plans to provide learning materials outside of school should we reach this point.

Please see attached, a letter from Head Office with general health advice.

We are asking you to follow this link: <https://forms.gle/asj5ZofxyzZtPoLX7>

This will help us to establish the amount of access, you have, to the internet at home.

With this information we are able to plan the home learning more effectively.

Currently the advice is for all schools to remain open and we will let you know if there are any changes.

If you have any further questions please feel free to contact us.

With best wishes

Karen & Luke

**Give your best, get the best!**
