Dear Parents/Carers,

It is with a heavy heart that we close our doors to Griffin, as we know it, today. And that this will be for an indefinite period of time. We will miss you and your families so much.

Your children will remember how their family felt during this Coronavirus pandemic, more than anything specific about the virus. Your children will be watching and learning about how to respond to stress and uncertainty, so please do your best to enjoy this time together as a family.

If you need support, you will be able to contact the school via the office email account (admin@griffinprimary.org) which will be monitored throughout the time of any school closure. The school may need to contact you directly, from time to time.

If you need community assistance, please see the information detailed below. There are a lot of support groups out there:

We look forward to seeing you in the not too distant future.

Wishing you all the very best,

The Leadership Group

Give your best, get the best!
