17th March 2020

Dear Griffin families,

Further updates came from the government yesterday and the latest information in terms of schools is as follows:

- Schools continue to stay open. - If anyone in your family develops a new continuous cough and / or temperature, all members of the family should self isolate for 14 days.

We have our home learning provision set up (link is on our website) and will begin to share that whilst also providing packs for those self isolating now so that students have learning activities to work on.

A number of families have been asking about the impact on their children's attendance figures. It is important to note that special coding is in place for those who need to self isolate so that attendance figures reflect the current situation.

This is a very difficult time for all of us and we appreciate your support in working as a community to look after each other.

Kind regards

Karen & Luke

Give your best, get the best!
